Rotarians work hard to stay ahead of the curve, learning new trends and skills that benefit the community in their service activity. If you have recently gained new skills and additional knowledge about Rotary's service projects through your *Rotary News* magazine, you will agree that this knowledge is invaluable.

As the world moves away from generalists and expects guidance from experts such as yourself, especially in a new or less widely known niche, your *Rotary News* magazine aims to bring all the information rapidly and in an interesting manner to your doorstep.

To meet the increased costs associated with bringing you a world-class magazine, the subscription rate of the *Rotary News* / *Rotary Samachar* magazine is being revised to Rs.480 per year per member within India, with effect from July 1, 2011.

Thank you for your support.
